Freshman Rally is open to freshman only and will be selected in the spring for the following year.

A maximum of 16 girls and 4 boys per squad.

Workshops and tryouts will be conducted by the rally coach. Tryouts are closed to the student body and parents.

Coaches will use the district standardized evaluation form. If any student trying out has an unforeseeable injury that prevents the student to tryout, the rally coach will be able to rate the student on past performance.

In the event of a tie, the points awarded in the overall enthusiasm/rally category will be the tie breaker.

In the event there is a vacancy during the season due to a long term injury or student moving away, a special tryout may be held.

All rally members must clear through the school Business Office prior to turning out and have 10 practices prior to participating in the first game.
