THE MORNING ANNOUNCEMENTS

Good Morning Hudson's Bay

Today is Wednesday, Feb. 7, 2018

Please stand for the Pledge of Allegiance

Wilma Glodean Rudolph was born prematurely on June 23, 1940, in St. Bethlehem, Tennessee, the 20th of 22 children born to dad, Ed, across his two marriages. She went on to become a pioneering African-American track and field champion, but the road to victory was not an easy one for Wilma Rudolph. Stricken with double pneumonia, scarlet fever and polio as a child, she had problems with her left leg and had to wear a brace. It was with great determination and the help of physical therapy that she was able to overcome her disabilities.

ATTENTION SALT MEMBERS: We are scheduled to take a group photo for yearbook on Wednesday, Feb. 7, at 1:25 p.m. Please report to the Black Box Theater at 1:20 p.m. Thanks and see you there.
