SPORTS

The Hudson's bay tennis program would like to send a very big shout out thank you to senior Akiva Wells. Akiva and his Boy Scout Troop 525 built the new shed out by the tennis courts. This project was completed as part of Akiva's Eagle Scout project. Akiva has spent many hours planning, obtaining grants and organizing the build. The tennis team has been desperate for a new storage shed for several years and thanks to Akiva's efforts we should be taken care of for a very long time. Take a look at the new shed and if you see

Akiva in the halls please give him a high five and a thank you. Also congratulate him on becoming an Eagle Scout as that is no easy task.

Attention 2016-17 Three-Sport Bay athletes: We will celebrate you today, June 5, at 6 p.m. in the Commons. Your tremendous effort and accomplishment in growing and competing this year is an impressive feat. If you want to guarantee your picture placement in the Business hallway show up on Monday! Families are encouraged to attend! Go Eagles!

Does a free tennis racquet and tennis balls interest you at all? Would you like to learn a sport for a lifetime? Come to an informational meeting today, June 5, during Tutorial in room 205 to find out the season schedule and how to get a free physical to be cleared.

The tennis courts will be open from 3 - 5 every day until the end of the school year for drop-in play. Everyone is welcome to come out to the courts, whether you have played before or not! Come give it a try. Of course, it is weather dependent.
