This food goes to families in our Hudson's Bay community to help with holiday food deliveries and to stock Miss Chelsea's pantry in the FCRC. Attention Bay students: If you have a job and are working as a paid employee for a company, you need to see Mr. Griffiths in office 318 to sign-up for Work Based Learning. You have to be 16

years of age or older. You will receive a .5 credit for every 180 hours of work. You prove that you worked these hours by giving a copy of your pay stubs to Mr. Griffiths. Work Based Learning credit can be used for replacing any elective or Occupational Ed. Credit that you need. If you already have your electives and Occupational Ed. courses completed, the credit will show on your transcript that you worked during your high school years. The grade will be an "A" which will help your G.P.A. Employers and colleges look favorably on this when you send them a copy of your transcript. There is no class meeting times or assignments that you need to do. Your only responsibility is to complete the forms when you sign-up for Work Based Learning and turn in a copy of your check stubs - every two weeks -proving that you worked the hours. As soon as you accumulate 180 hours, you will earn a .5 credit. Students can earn up to 2.0 credits of Work Based Learning per school year.
