Message from the Vancouver School Board

To promote a safe, nurturing and beneficial learning environment for each of our students, and to maintain order and discipline in classrooms, playgrounds, hallways, school buses, and school sponsored activities off campus, the Vancouver Board of Directors adopts policies and regulations for administering discipline within each school. These policies and regulations are developed with participation from parents and community. The policies and regulations are designed to involve the parent and student early in the resolution of discipline problems. Annually, the principal and the certificated staff of each school review these disciplinary procedures to ensure uniform enforcement.
