Hudson's Bay High School

Application for ASB Leadership Class 2020-21

Due Date: Monday, April 27, 2020

Thank you for your interest in student leadership at Hudson's Bay High School. Leadership is an organization that exemplifies excellence and service to our Bay community. The goal and purpose of ASB is to serve the Bay student and staff population with pride, integrity and passion. We are looking for dedicated, hard-working and dependable individuals who enjoy serving others and are committed to improving our school culture.

The application process has 3 parts:

1. This application with completed questions due April 27, 2020.
2. Letter of recommendation from a teacher or counselor
3. Interview & Conversation with Mrs. Green – the 2020-21 ASB advisor – and Mrs. Beardmore.

Please answer these questions in a separate document:

1. What does leadership mean to you?
2. Why do you want to be in ASB?
3. What skills or experience do you have that speak to your leadership ability?
4. As a campus leader, what would you do to serve students or improve Bay?
5. Reaching out to ALL students is necessary in ASB. How would you connect with all students to engage in 2-way communication?

Please have your selected teacher/counselor send an *email* recommendation to: alexandra.green@vansd.org. The subject line should read: ASB student recommendation.

We're excited to read through your responses and evaluate your application. We will reach out the week of April 27, 2020 to share decisions. We look forward to a great year together.
