February is Black History Month: It's believed that the real "Lone Ranger" was inspired by an African American man named Bass Reeves. Reeves had been born a slave but escaped West during the Civil War where he lived in what was then known as Indian Territory. He eventually became a Deputy U.S. Marshal, was a master of disguise, an expert marksman, had a Native American companion, and rode a silver horse.

Students; If you are working and enrolled in the Work Based Learning class, you need to turn in your check stubs every two weeks to Mr. Griffiths. This will prove how many hours you have worked at your job. Once you have totaled 180 work hours, you will receive a .5 credit which is an automatic "A" grade. You can receive up to 2.0 credits of Work Based Learning per year depending on how many hours you legally work.

Attention all Hudson's Bay males who are 18 or about to turn 18: You must, by federal law, register with Selective Service within one month of your 18 birthday. Registering keeps you eligible for good jobs, driver's license renewal in most states, and job training. Plus, if you are an immigrant and a guy, you can never get citizenship if you don't register. You can register at the nearest US Post Office, or go on line. It only takes a few minutes and it is the LAW!
